[Issued patents](#)[Applications](#)Method for treating wastewater

US Pat. 5490935 - Filed Jan 11, 1994

Prior Art Relatively small, self-contained **wastewater treatment** systems ...  
Moststates require stringent testing of **treatment** systems proposed for **sale**. ...Controlled natural purification system for advanced wastewater treatment and ...

US Pat. 4267038 - Filed Nov 20, 1979

In conventional **wastewater treatment** systems cer- tain standard or routineprocesses are utilized. ... The **sale** of the algae for animal feed ...Wastewater treatment system with operations control center

US Pat. 6224752 - Filed Apr 23, 1999 - Aqua Partners, Ltd.

5, it can be seen that the **wastewater treatment** system 200 is suitable for **sale**

and installation as a single 2o unit. This is accomplished through the use ...

Method for treatment of digester supernatant and other streams in wastewater ...

US Pat. 4076515 - Filed Jul 9, 1975

practice of **wastewater treatment**, lime or other natant is removed by allowing... from the digester and dewatering or drying for **sale** as a soil conditioner.

...

Apparatus for treating wastewater

US Pat. 5954953 - Filed Oct 30, 1997 - Delta Environmental Products, Inc.

Prior Art Relatively small, self-contained **wastewater treatment** systems ...  
Moststates require stringent testing of **treatment** systems proposed for **sale**. ...Wastewater treatment process

US Pat. 4956093 - Filed Apr 6, 1988

... now being offered for **sale** by Memtek Corporation of Billerica, Massachusetts. ... In the **treatment** of **wastewater** from a dairy plant according to the ...Buoyant contact surfaces in waste treatment pond

US Pat. 4169050 - Filed Nov 3, 1977 - Solar Aquasystems, Inc.

Field of Invention The invention relates to **wastewater treatment** systems ...from their **sale** reduce waste **treatment** costs to 50 only 24¢/ 1000 gallons.

...
